Petition for *Order Nisi*

Session date: 18 Shvat 5764 (February 10, 2004)

**Judgment**

Based on the judgments rendered in H CJ 6696/02, 6868/02 and other additional judgments (for instance: H CJ 9907/02, 4241/03, 230/03, 8262/03 and others alike) we decide to delete the petition. Nothing herein shall prejudice petitioners' right to file a new petition based on the argument that according to the law and judgments the respondent is no longer authorized to issue a demolition order for the building being the subject matter of this hearing. Needless to say that when a house is demolished, the respondent should use his best efforts, under the circumstances of each and every case, not to cause injury to animals or property (beyond the house itself).
