Affidavit

I the undersigned, Iyad Amar, having been warned to state the truth and should I fail to do so I shall be subject to the penalties prescribed by law, hereby declare in writing as follows:

1. I serve as the head of the civilian security division at the Coordinator of Government Activities in the Territories Unit and make this affidavit in support of the notice on behalf of the parties in AP 26662-07-13 in the Tel Aviv District Court Sitting as a Court for Administrative Affairs.
2. Within the framework of the petition, information was requested which consists of data concerning applications which were submitted under the Procedure for Handling Applications of Gaza Strip Residents for Settlement in Judea and Samaria in its version which was in force from its effective date in March 2009 and until its recent amendment (hereinafter: the **procedure**).
3. Examinations which I have conducted and which were conducted for me at my request, indicated that no settlement applications were submitted under the procedure.
4. Hence, the changes of address which were made from the beginning of 2009 were not made according to the procedure. It should be clarified, that according to sections 13-15 of the procedure, to the extent applications were submitted there-under, they would have been examined in a graduated process over a seven year period, during which only temporary permits would have been granted, which would have been renewed subject to the conditions set forth in the procedure, and only upon the termination of the period, the grant of a settlement permit and a corresponding change of address could have been considered.
5. This is my name, this is my signature and the content of my affidavit is true.
