Judgement

In the judgment issued in HCJ 8066/14 on December 31, 2014, this Court upheld the demolition order issued against the homes of the terrorists who perpetrated the murderous attack at the Har Nof synagogue on November 18, 2015.

The petition before us seeks to prevent the demolition, scheduled for tomorrow, based on the argument that the passage of time, 232 days after the attack, is incompatible with the deterring purpose of Regulation 119 of the Defense (Emergency) Regulations 1945.

We cannot accept the petition. The delay in the execution of the demolition order was partly the result of the legal proceeding undertaken by the Petitioner himself. In any event, once the order was upheld by this Court, the *timing* of its execution is generally at the discretion of the Respondent according to the particulars of time and place.
